

Senior Consultant in Shared Services and Outsourcing Advisory

The opportunity:

You'll be a part of a Shared Services and Outsourcing Advisory team within Business Advisory department working for the global clients along with a team of 30 professionals designing and implementing centralized shared services solutions.

Your key responsibilities:

- Designing and implementing solutions for centralizing processes and creating / managing shared service centers,
- Participation in advisory projects related to the reorganization of finance departments and analysis and optimization of financial processes,
- Conducting organizational efficiency analyses for companies,
- Contributing to reports, studies, and articles related to the business services sector in Poland and worldwide,
- Assisting in the development of new products and services and the sales process,
- Personal and team technical competence development.

Minimum qualifications:

- Minimum 3-4 years of professional experience - preferred experience in shared service centers and outsourcing companies (especially in project teams),
- Higher education - preferred degrees in finance, economics, engineering, or mathematics
- Experience in a consulting company is a plus,
- Experience in process analysis and documentation creation,
- Experience in migrating processes to shared service centers / centers of excellence,
- Advanced knowledge of MS Office (Excel, PowerPoint),
- Experience in project execution (within small teams),
- Ability to work in a team and collaborate effectively,
- Creativity and ability to find non-standard solutions,
- Very good written and verbal communication skills in English.

What is part of the offer:

- Hybrid work - you choose your preferred location!
- Continuous development - take advantage of funding for postgraduate studies, language courses, preparatory courses, and exams,
- Extensive training package - access Degreed and LinkedIn Learning platforms, technical training, and certified Microsoft courses,
- Buddy support - your mentor will guide you through your new career experience,
- Referral program - receive a financial bonus for successful recommendations of friends to work,
- Mentoring program - plan your career path consciously,
- Cafeteria package - choose benefits that interest you, including MultiSport card, cinema and theater tickets, vouchers, and discounts,
- Private medical care, additional insurance, and wellbeing program - take care of yourself and your family,
- Participation in industry events - we will financially support the improvement of your skills,
- Trips and team-building meetings - we will organize and subsidize team-building activities,
- Volunteer leave - use 2 additional days off and a grant for charity actions,
- Christmas presents or bonuses - we appreciate kind gestures.
